

What to Expect

We gather every Sunday at 9am for worship and 10:30 am or LIFE Groups (Sunday School).

Because stepping into any new environment can be a little intimidating, we want to give you an idea of what to expect when you visit with us at Grace Point. We hope you'll find the Grace Point Church family to be just that ... a family. We laugh often, talk a lot, make mistakes, share life, and grow together. We have many diverse interests and personalities, but what we have in common is Jesus Christ. We invite you to come as you are, observe, and participate however you are comfortable.

Worship

We believe true worship is an encounter with the living God. We're not professional performers putting on a "good show", we're real people seeking to encounter the living God in spirit and truth. We're not trying to 'wow' you with our music or preaching. We are seeking to be authentic and heart-felt worshipers of King Jesus. During the worship service we will read from the Bible, pray together, sing together, study the Bible together and give together. We believe worship should be engaging and unifying. Our music is a mix of new modern worship music, as well as more traditional music and Gospel music. Our passion is not about style but about substance.

Dress

Many people are concerned about what to wear when they come to Grace Point. We have only one requirement – that you wear clothes. Seriously, we are much more concerned about what's going on inside of a person, than what they are wearing on the outside. If it helps you out, most of our folks dress casual and comfortable, so just come as you are.

Children

We love children and provide a safe and warm environment for them during our services. You are welcome to keep your children with you through the whole service, but we also provide special care and services for kids. Every Sunday we offer nursery care for infants – 4 yrs old. If you would like for your child to be cared for during the worship service, please contact one of the Greeters for information about the Nursery. For older children, Pastor Miller will call them forward for a children's sermon and then they will have the opportunity to go to KidsPoint Worship for age appropriate worship and bible study.

If you have other questions or concerns, feel free to give us a call @ 865-475-5601.
