What is The P.O.I.N.T.?

Prayer-Obedience-Identity-Never Ending-Togetherness

Grace Point Baptist Church Youth Group is a place where **Prayer** happens, where **Obedience** to the Gospel is taught, and where one can discover their **Identity** in Christ, because His love is a **Never Ending** foundation for followers to establish their **Togetherness**.

We are on God's Team

February Bible Study

During the month of February, the youth group at Grace Point learned what it means to be a unique part of God's Team, as students took an in-depth look at some of the key players in the Bible.

Each Wednesday night consisted of discussing three of Jesus' disciples and competitive Bible Bowl trivia game. By the end of the month, students gained knowledge about all twelve disciples and how each of these individuals played an important role in Jesus' mission during His time here on earth.

Students discovered that they also have important traits and characteristics within themselves that make them top players on God's Team and how they can fulfill God's plan for their lives through fellowship, obedience, and prayer.

Follow-up Activity: Character Cards

The youth created Character Cards with their names and disciple names on them. The names are surrounded by words describing the traits and characteristics they have as a unique part of God's Team. Feel free to stop by and see our activity displayed on the wall in the youth room upstairs!

Keeping My Commandments

March Bible Study

- Up Next: For the next several weeks, students in Youth Group are going to set out to discover what it means to follow the 10 Commandments God sets upon our lives.

- On Wednesday nights, we will learn about how and why the 10 Commandments came about, and how we can apply these verses to our own lives each and every day.

- We have had a couple new friends join us on Wednesday nights, and we hope to continuously see new faces throughout the month of March.

- We want to say *Thank You* for the church's ongoing support of The P.O.I.N.T. Youth Group and we look forward for what's to come during March. Please continue to keep our youth students in your thoughts and prayers.

- Check back next month for another newsletter edition to see what all we accomplish and create as we learn the importance of **Keeping My Commandments!**
